After a breakfast on the deck over-looking the Pilanesberg reserve, we enjoy a Game Drive and a short game clinic by our PGA Golf Pro. We play a game at Lost City, a great Gary Player Design with tricky dog-legs and big greens. A video is recorded of your swing and it'll be looked at by your pro before dinner at Tshukudu Lodge. After the golf we enjoy another early evening safari.

DAY 3

We check out of Tshukudu Lodge and we make our way to The Gary Player Golf Club, home of Africa's major, the Nedbank Challenge. You'll have a bunker clinic before the game and enjoy a round of golf at this amazing championship course at 08h30. After the golf we have a short transfer to the airport and we take a short flight to Entabeni, home of the Extreme 19th.

An early morning breakfast is served on Hangklip. It's a breathtaking helicopter flight to the tee box of the longest par three in the world - 420m.
