Durban Country Club
Wild Coast

SAFARI

Entabeni Reserve
Kruger Park
The Gorge

DAY 1

We meet at Johannesburg's Royal & Kensington Golf Club to play the East Course. A real test and parkland design. This course is the home of many European Tour events and one of the most stunning golf courses you'll play. Our PGA Golf Pro will have a look at your swing before the game on the range and after the golf, we'll take a scenic sunset flight to Legend Golf Resort.

DAY 2

An early morning breakfast is served on Hangklip. It's a breathtaking helicopter flight to the tee box of the longest par three in the world - 420m. We play the Extreme Par Three and enjoy a short safari flight over the Entabeni reserve. We play golf at the signature course and enjoy a scenic flight to the Kruger International Airport for an overnight at Oliver's Lodge.

DAY 3

A light breakfast is served on the deck of Oliver's and our game drive vehicle is ready for us to transfer us to Leopard Creek at 05h30. A three hour Game Drive takes us to the Malelane gate and we tee off at the home of the Dunhill. Lunch is served with a view of the fairways at the Clubhouse. After a short transfer, we fly to Durban to check in at the Oyster Box.

DAY 4

Breakfast is served on the deck of the Oyster Box with a view of the Majestic Indian Ocean. A short game clinic by our Pro will be useful to manage Durban Country Club, home of many South African Open Tournaments and an interesting Links and Parkland style golf course. After the golf we get ready for a flight to the South Coast and check in at the Gorge Hotel for a two night stay.

DAY 5

An early morning game drive with majestic views of the Gorge is followed by a short transfer to The Wild Coast Sun Golf Club. It's a great golf course with undulating fairways with big cliffs to test the golfer. After golf we head back to the Gorge for a scrumptious meal with amazing views of the Gorge and its sunsets.

DAY 6

We enjoy a final morning game drive where breakfast is served in the park in a picnic style setting. During the game drive we'll enjoy a short hike to the famous Gorge Hanging Bridge with breathtaking views and we make our way back to the runway for a very scenic flight over the Drakensberg Mountains.
